Piano Festival 2019

Rules Sheet

The Festival will be held on Saturday, March 16, 2019 in the Humanities Building at Augustana University. Students may register in one of the following levels: EA, EB, IA, IB, IC, PA, or PB.

ELIGIBILITY REQUIREMENTS:

1. Members are required to pay their national MTNA dues in order to participate in festival.
2. The student must have taken lessons for nine months, or one school year by the time of the Festival.

REPERTOIRE REQUIREMENTS:

1. Two memorized selections of at least 16 measures each.
2. The selections must be of different periods (Baroque, Classical, Romantic, Impressionistic-Contemporary) and of contrasting styles. EXCEPTION: In Elementary A the selections need only be of contrasting styles and by different composers.
3. Original compositions, arrangements, transcriptions, folk songs, hymns, or Christmas carols are NOT acceptable. NO EXCEPTIONS. Please check selections carefully as many selections in Alfred and Faber editions are not indicated as arrangements or transcriptions.
4. One selection is to be chosen from this year's repertoire list and the other selection is personal choice—this piece is NOT to be on this year's repertoire list at any level. Please check all levels carefully. Also check for the same piece with a different title. The selections are to be of equal difficulty. Students should not play the same piece as the previous year.
5. Measures must be numbered.
6. A copy of the music must be provided for the adjudicator. Photocopies are prohibited but digital sheet music is permitted with appropriate licensing information present. Entrants are required to remove or cover personally identifying marks in their music.
7. Performance time allowed is as follows: EA, EB, IA-7 minutes; IB and IC-7 minutes; PA and PB 10 minutes. Performances may be timed on Festival day and may be stopped when the allotted time is up. This should not reflect on the rating.

Registrations not meeting all of the above requirements will be given the opportunity to make repertoire changes. If you have any questions concerning acceptance, please contact the chairperson before registering a student.

Students that forget to bring music or are not prepared on memory of both pieces will be allowed to play but will receive the Good rating.

Ratings are given in the Superior, Excellent, Very Good, and Good categories at each level at the discretion of the judge. All students receive a comment sheet and a certificate. Trophies are awarded to students who participate 3, 5, 7, and 9 years. A plaque is given to students who participate 10 years and a gift certificate is given for 11 years of participation.

The Festival is open to observers and we encourage parents to be present. Teachers should not be seen in the performance room with their student prior to their audition. Audio and video taping is not allowed. Practice on Festival pianos is not permitted.

Poppler's Music and Schmitt Music have been given the repertoire list and will be asked to stock music.

The registration fee is \$20.00 and is non-refundable. Students traveling more than 30 miles will be scheduled after 9:00 A.M. Every attempt will be made to schedule siblings close together. Special requests will be honored when feasible. Please be prepared to give your students and their parents this information.

The registration deadline is Thursday, February 7, 2019, 9:30 am. Entries may be brought to the registrar before or at the February 7 meeting. If you are mailing your entries, please do so a week ahead of time as entries must be received by the deadline. **PLEASE NOTE THAT YOU WILL NEED TO HAVE YOUR THURSDAY STUDENTS' REGISTRATIONS READY BEFORE THE DEADLINE DATE.** Registrations received AFTER February 7 9:30 am, will not be accepted. NO EXCEPTIONS. Send ONE check, payable to SFAMTA, to Sue Winters, 3901 E. 28th St., Sioux Falls, SD 57103. If you have questions, call her at 371-2583.

Theory Test Information

The fee is \$5.00 per Test

Please note: Theory tests are not based on the level of student methods. Tests are compatible with Festival performance levels:

Test One, Basic Theory Test (EA/EB) Test Two, Early Intermediate (EB/IA)

Test Three, Intermediate (IB) Test Four, Late Intermediate (IC)

Test Five, Advanced (PA/PB)

To insure success, teachers are strongly advised to use the Test Study Guides in preparing their students.

Tests will be administered several times on Festival day in order to allow participation by more students. The student is encouraged to perform his or her festival pieces before taking the theory test.

Students do not have to begin with Test One. However, they should be prepared on all study guide concepts up to and including the test they are taking.

A student may take two tests on the same day. They would register for both tests and pay the required fee for each test.

Tests are each worth 100 points and will be graded by members of the theory committee. Ratings will be given as follows: 100-90 points, "*Superior*"; 89-80 points, "*Excellent*"; 79-70 points, "*Good*"; 69 and below is failing.

If 79 or less points are achieved, it is recommended that the student retake the test to attain a higher rating before going on to the next test.

Each student will receive a certificate, and those passing the test will also receive a small reward.

Test results will be returned to the teachers. Yearly records are kept by the Theory Committee.
