

# HANDBOOK for Student Competitions

Available in pdf format with application forms at [www.sdmta.org](http://www.sdmta.org)

2017

- SDMTA competitions provide opportunities for musical growth for member teachers and their students through recognition of high performance standards. They are held in November of each year.
- MTNA competitions at the state level are separate from SDMTA competitions but are held concurrently at the state conference. Rules for MTNA competitions are NOT printed here. Please consult the *American Music Teacher* and [www.mtna.org](http://www.mtna.org) for MTNA competition rules and applications.
- Questions concerning competitions should be submitted directly to the respective competition chairs.
- Members who enter students in the state competitions are required to monitor or to secure a substitute.

## GENERAL COMPETITION INFORMATION

The following rules apply to all entrants of SDMTA Competitions

### Student Competition Application and Teacher Registration Form

- Application deadline for SDMTA competitions is September 21st.
- Each participating student must be studying with a current member of SDMTA/MTNA.
- Students register and compete in the category determined by their age on September 1. They may compete at a higher age level, but not a lower one.
- No contestant may enter both the SDMTA and MTNA performance competitions on the same instrument or voice in a given year. In the area of composition, a student may not enter both the SDMTA and MTNA competitions.
- All entry fees are non-refundable. Amounts are listed on the online application form.
- Teacher & students will find the appropriate competition application at [www.sdmata.org](http://www.sdmata.org). There will be drop-down boxes for each instrument and each age group. ALL of the blanks must be filled in.
- The form has to be submitted online **no later than September 21<sup>st</sup>**.
- As soon as the form is submitted a confirmation email will be generated to the teacher/student.
- On September 22<sup>nd</sup> the competition application form will be removed from the website so no late entries will be allowed.
- Simultaneously the teacher should download the Teacher Registration Form (pdf) at [www.sdmata.org](http://www.sdmata.org) and fill in the information about students entered from that studio and about monitoring. That form plus a **single check for all entered students** should be mailed to the SDMTA Treasurer and must be postmarked by September 24<sup>th</sup>.
- Both Student Competition Application and Teacher Registration Form will be available in mid to late summer.

### Participating Teachers:

- In order to enter students, teachers must pay current membership dues for both SDMTA and MTNA before registering students. This policy conforms to the MTNA competition guidelines. If the teacher's membership dues are not paid before entering students, there will be a \$50 late fee assessed to the teacher. This late fee **MUST** be paid before their student(s) will be allowed to compete.
- If a student has more than one teacher, all teachers must satisfy teacher eligibility and be listed on the application form.
- Teachers are responsible for checking the age and repertoire requirements for each of their student entrants.
- Teachers may not accompany their own students.

### Awards:

- First place and second place awards are given in each of the SDMTA categories. The number of honorable mentions is at the discretion of the judge. If there is only one student in a category, then the judge will decide whether or not to declare a winner.
- Students who are declared winners of SDMTA competitions do not advance to another level.
- Decisions of the judges are final.

### Repertoire:

- Repertoire requirements are listed below for each competition division.
- Anyone not meeting repertoire requirements will automatically be disqualified.
- Contestants may not make any repertoire changes after the entry deadline.
- The choice and quality of repertoire may influence the judge's decision.
- Style period classifications are determined by the MTNA *Composer Classification List* published in the *American Music Teacher* and online at [www.mtna.org](http://www.mtna.org).

### Performance Time:

- Performance Time Limits are indicated below for each competition division and age category. The stopwatch starts with the first note and ends at the allotted time, not stopping between pieces.
- The contestant's performance will be stopped at the Performance Time Limit for the respective category. If the contestant's program is longer than the time allowed, the judge is encouraged to hear at least a representative portion of each selection.
- Three (3) minutes will be scheduled between all contestants to allow for set-up and for the judge to write comments.

### Scores and Copyrights for Competition:

- SDMTA competitions will abide by the copyright rules handed down by the national MTNA organization. Those guidelines are included in the attached Music Release Form. Please note that the use of photocopies is strongly discouraged. When it is not possible to use the originals, the attached Music Release Form MUST accompany the music. The correct use of photocopying will become the responsibility of the person making the copies, not holding MTNA or SDMTA legally responsible for infringements. CD Sheet Music is still acceptable as an original.
- Contestants must provide one complete score for the judge. The music must not have identifying marks. Measures must be numbered at the beginning of each system.

### Recording, Pictures and Videotaping:

- No flash photography is permitted in any of the competitions.
